

Dear Resident:

The Stark County Drainage program is primarily intended to help alleviate “off-road” drainage problems throughout unincorporated areas of the County, and is dependent on limited funding (when available).

As requested, a Drainage Complaint Form is enclosed. Please fill it out with as much detail as possible and return it to the following address:

Stark County Commissioners  
County Office Building  
110 Central Plaza South, Suite 240  
Canton, OH 44702

Once your form is received, a Stark County representative will then review, investigate, and prioritize your complaint. You will be notified as to when your complaint was investigated.

Thank you for your cooperation.
